Safety instructions
- Do not expose the device to extreme temperatures.
- Do not use the device in an area that is at risk of explosion.
- Do not open the device.
- Use only compatible cables/accessories from Trust. Using incompatible cables/accessories may damage the device.
- Do not attempt to repair the device yourself. Contact Trust customer service for assistance.
- Keep the device away from children.
- Use the device only for the intended purpose.
- Dispose of the device and batteries according to local regulations.

Ergonomic advice
Working long hours, bad working habits, poor workplace set-up, stress, insufficient breaks and incorrect working methods can be detrimental to your health. Take care of your health by following the ergonomic advice below.
- Position your keyboard and mouse directly in front of you.
- Keep your forearms, wrists and hands in a straight line when working on the keyboard.
- Keep your upper arms relaxed and close to your body.
- Allow your wrists to rest when not keying.
- Do not rest your wrists on sharp edges.
- Do not bend your wrists up, down or sideways.
- Do not use your little finger, ring finger or thumb to operate the mouse
