EN – GENERAL INFORMATION

Declaration of Conformity
Hereby, we declare that this device is in compliance with the essential requirements and other relevant provisions of Directive 2014/53/EU. The declaration of conformity may be consulted at www.trust.com/resources

Safety instructions
- Do not use the device in any manner that is not consistent with the purpose for which it was designed.
- Do not expose the device to excessive force, moisture, dust or heat.
- Do not attempt to repair the device yourself. Contact the Trust Customer Service Department for assistance.
- Use only the cables and accessories specified by the manufacturer.
- Do not use cables or accessories if the packaging seal is broken or missing.
- Do not stretch, pull, bend, crush, step on, or place heavy objects on the cables.
- Do not use the device in a manner that may cause interference to other devices or persons.
- Do not use the device in environments with temperatures outside the range of 0°C/32°F to 40°C/104°F.
- Do not use the device in environments with humidity outside the range of 10% to 90%.
- Do not use the device in environments with altitudes outside the range of 0 to 3000 meters above sea level.
- Do not use the device while driving a vehicle.
- Do not use the device while operating machinery.
- Do not use the device while flying an aircraft.
- Do not use the device while diving.
- Do not use the device while swimming.
- Do not use the device while sleeping.
- Do not use the device while eating.
- Do not use the device while exercising.
- Do not use the device while bathing.
- Do not use the device while showering.
- Do not use the device while using the toilet.
- Do not use the device while using a computer.
- Do not use the device while using a smartphone.
- Do not use the device while using a tablet.
- Do not use the device while using a laptop.
- Do not use the device while using a desktop computer.
- Do not use the device while using a gaming console.
- Do not use the device while using a television.
- Do not use the device while using a radio.
- Do not use the device while using a stereo system.
- Do not use the device while using a home theater system.
- Do not use the device while using a car audio system.
- Do not use the device while using a portable audio player.
- Do not use the device while using a headphone amplifier.
- Do not use the device while using a microphone.
- Do not use the device while using a webcam.
- Do not use the device while using a video camera.
- Do not use the device while using a digital camera.
- Do not use the device while using a camcorder.
- Do not use the device while using a projector.
- Do not use the device while using a printer.
- Do not use the device while using a scanner.
- Do not use the device while using a fax machine.
- Do not use the device while using a copier.
- Do not use the device while using a multifunction device.
- Do not use the device while using a label maker.
- Do not use the device while using a paper shredder.
- Do not use the device while using a laminator.
- Do not use the device while using a binding machine.
- Do not use the device while using a calculator.
- Do not use the device while using a clock.
- Do not use the device while using a watch.
- Do not use the device while using a pen.
- Do not use the device while using a pencil.
- Do not use the device while using a marker.
- Do not use the device while using a highlighter.
- Do not use the device while using a stapler.
- Do not use the device while using a hole punch.
- Do not use the device while using a ruler.
- Do not use the device while using a protractor.
- Do not use the device while using a compass.
- Do not use the device while using a set square.
- Do not use the device while using a drawing board.
- Do not use the device while using a desk lamp.
- Do not use the device while using a chair.
- Do not use the device while using a desk.
- Do not use the device while using a bookshelf.
- Do not use the device while using a filing cabinet.
- Do not use the device while using a safe.
- Do not use the device while using a key.
- Do not use the device while using a lock.
- Do not use the device while using a door.
- Do not use the device while using a window.
- Do not use the device while using a wall.
- Do not use the device while using a floor.
- Do not use the device while using a ceiling.
- Do not use the device while using a roof.
- Do not use the device while using a chimney.
- Do not use the device while using a fireplace.
- Do not use the device while using a stove.
- Do not use the device while using an oven.
- Do not use the device while using a microwave.
- Do not use the device while using a refrigerator.
- Do not use the device while using a freezer.
- Do not use the device while using a dishwasher.
- Do not use the device while using a washing machine.
- Do not use the device while using a dryer.
- Do not use the device while using a vacuum cleaner.
- Do not use the device while using a broom.
- Do not use the device while using a mop.
- Do not use the device while using a bucket.
- Do not use the device while using a sponge.
- Do not use the device while using a cloth.
- Do not use the device while using a towel.
- Do not use the device while using a soap.
- Do not use the device while using a shampoo.
- Do not use the device while using a toothbrush.
- Do not use the device while using a toothpaste.
- Do not use the device while using a razor.
- Do not use the device while using a hairdryer.
- Do not use the device while using a hair straightener.
- Do not use the device while using a curling iron.
- Do not use the device while using a comb.
- Do not use the device while using a brush.
- Do not use the device while using a mirror.
- Do not use the device while using a makeup.
- Do not use the device while using a perfume.
- Do not use the device while using a deodorant.
- Do not use the device while using a lotion.
- Do not use the device while using a sunscreen.
- Do not use the device while using a medicine.
- Do not use the device while using a bandage.
- Do not use the device while using a first aid kit.
- Do not use the device while using a thermometer.
- Do not use the device while using a scale.
- Do not use the device while using a measuring tape.
- Do not use the device while using a stopwatch.
- Do not use the device while using a timer.
- Do not use the device while using a calendar.
- Do not use the device while using a diary.
- Do not use the device while using a notebook.
- Do not use the device while using a book.
- Do not use the device while using a magazine.
- Do not use the device while using a newspaper.
- Do not use the device while using a map.
- Do not use the device while using a globe.
- Do not use the device while using a compass.
- Do not use the device while using a GPS device.
- Do not use the device while using a satellite phone.
- Do not use the device while using a two-way radio.
- Do not use the device while using a walkie-talkie.
- Do not use the device while using a CB radio.
- Do not use the device while using a ham radio.
- Do not use the device while using a shortwave radio.
- Do not use the device while using a scanner.
- Do not use the device while using a police radio.
- Do not use the device while using a fire radio.
- Do not use the device while using an ambulance radio.
- Do not use the device while using a military radio.
- Do not use the device while using a coast guard radio.
- Do not use the device while using a marine radio.
- Do not use the device while using an aviation radio.
- Do not use the device while using a weather radio.
- Do not use the device while using a satellite radio.
- Do not use the device while using a digital radio.
- Do not use the device while using an analog radio.
- Do not use the device while using a tape recorder.
- Do not use the device while using a CD player.
- Do not use the device while using a DVD player.
- Do not use the device while using a Blu-ray player.
- Do not use the device while using a record player.
- Do not use the device while using a turntable.
- Do not use the device while using a phonograph.
- Do not use the device while using a gramophone.
- Do not use the device while using a music box.
- Do not use the device while using a piano.
- Do not use the device while using a guitar.
- Do not use the device while using a violin.
- Do not use the device while using a cello.
- Do not use the device while using a double bass.
- Do not use the device while using a harp.
- Do not use the device while using a flute.
- Do not use the device while using a clarinet.
- Do not use the device while using a saxophone.
- Do not use the device while using a trumpet.
- Do not use the device while using a trombone.
- Do not use the device while using a tuba.
- Do not use the device while using a drum.
- Do not use the device while using a cymbal.
- Do not use the device while using a tambourine.
- Do not use the device while using a triangle.
- Do not use the device while using a xylophone.
- Do not use the device while using a marimba.
- Do not use the device while using a vibraphone.
- Do not use the device while using a glockenspiel.
- Do not use the device while using a celesta.
- Do not use the device while using a harmonica.
- Do not use the device while using an accordion.
- Do not use the device while using a bagpipe.
- Do not use the device while using a didgeridoo.
- Do not use the device while using a recorder.
- Do not use the device while using an ocarina.
- Do not use the device while using a whistle.
- Do not use the device while using a kazoo.
- Do not use the device while using a jaw harp.
- Do not use the device while using a theremin.
- Do not use the device while using a synthesizer.
- Do not use the device while using a sampler.
- Do not use the device while using a drum machine.
- Do not use the device while using a sequencer.
- Do not use the device while using a MIDI controller.
- Do not use the device while using a keyboard.
- Do not use the device while using a mouse.
- Do not use the device while using a trackball.
- Do not use the device while using a touchpad.
- Do not use the device while using a graphics tablet.
- Do not use the device while using a joystick.
- Do not use the device while using a gamepad.
- Do not use the device while using a steering wheel.
- Do not use the device while using a pedal.
- Do not use the device while using a throttle.
- Do not use the device while using a yoke.
- Do not use the device while using a rudder.
- Do not use the device while using a flight simulator.
- Do not use the device while using a racing simulator.
- Do not use the device while using a driving simulator.
- Do not use the device while using a motorcycle simulator.
- Do not use the device while using a boat simulator.
- Do not use the device while using a submarine simulator.
- Do not use the device while using a spaceship simulator.
- Do not use the device while using a train simulator.
- Do not use the device while using a bus simulator.
- Do not use the device while using a truck simulator.
- Do not use the device while using a tractor simulator.
- Do not use the device while using a construction vehicle simulator.
- Do not use the device while using a military vehicle simulator.
- Do not use the device while using a police vehicle simulator.
- Do not use the device while using a fire vehicle simulator.
- Do not use the device while using an ambulance simulator.
- Do not use the device while using a helicopter simulator.
- Do not use the device while using a hovercraft simulator.
- Do not use the device while using a hot air balloon simulator.
- Do not use the device while using a glider simulator.
- Do not use the device while using a paraglider simulator.
- Do not use the device while using a hang glider simulator.
- Do not use the device while using a skydiving simulator.
- Do not use the device while using a bungee jumping simulator.
- Do not use the device while using a parachuting simulator.
- Do not use the device while using a base jumping simulator.
- Do not use the device while using a wingsuit simulator.
- Do not use the device while using a rocket simulator.
- Do not use the device while using a space shuttle simulator.
- Do not use the device while using a satellite simulator.
- Do not use the device while using a space station simulator.
- Do not use the device while using a moon buggy simulator.
- Do not use the device while using a Mars rover simulator.
- Do not use the device while using a lunar lander simulator.
- Do not use the device while using a space capsule simulator.
- Do not use the device while using a space suit simulator.
- Do not use the device while using a space helmet simulator.
- Do not use the device while using a space boots simulator.
- Do not use the device while using a space gloves simulator.
- Do not use the device while using a space backpack simulator.
- Do not use the device while using a space toilet simulator.
- Do not use the device while using a space food simulator.
- Do not use the device while using a space drink simulator.
- Do not use the device while using a space medicine simulator.
- Do not use the device while using a space hygiene simulator.
- Do not use the device while using a space exercise simulator.
- Do not use the device while using a space entertainment simulator.
- Do not use the device while using a space communication simulator.
- Do not use the device while using a space navigation simulator.
- Do not use the device while using a space weather simulator.
- Do not use the device while using a space debris simulator.
- Do not use the device while using a space mining simulator.
- Do not use the device while using a space construction simulator.
- Do not use the device while using a space repair simulator.
- Do not use the device while using a space rescue simulator.
- Do not use the device while using a space tourism simulator.
- Do not use the device while using a space colonization simulator.
- Do not use the device while using a space war simulator.
- Do not use the device while using a space peace simulator.
- Do not use the device while using a space diplomacy simulator.
- Do not use the device while using a space economy simulator.
- Do not use the device while using a space politics simulator.
- Do not use the device while using a space religion simulator.
- Do not use the device while using a space philosophy simulator.
- Do not use the device while using a space psychology simulator.
- Do not use the device while using a space sociology simulator.
- Do not use the device while using a space anthropology simulator.
- Do not use the device while using a space archaeology simulator.
- Do not use the device while using a space history simulator.
- Do not use the device while using a space geography simulator.
- Do not use the device while using a space geology simulator.
- Do not use the device while using a space biology simulator.
- Do not use the device while using a space chemistry simulator.
- Do not use the device while using a space physics simulator.
- Do not use the device while using a space mathematics simulator.
- Do not use the device while using a space computer science simulator.
- Do not use the device while using a space engineering simulator.
- Do not use the device while using a space medicine simulator.
- Do not use the device while using a space pharmacology simulator.
- Do not use the device while using a space nursing simulator.
- Do not use the device while using a space dentistry simulator.
- Do not use the device while using a space veterinary simulator.
- Do not use the device while using a space agriculture simulator.
- Do not use the device while using a space forestry simulator.
- Do not use the device while using a space fishing simulator.
- Do not use the device while using a space hunting simulator.
- Do not use the device while using a space mining simulator.
- Do not use the device while using a space oil drilling simulator.
- Do not use the device while using a space gas drilling simulator.
- Do not use the device while using a space water drilling simulator.
- Do not use the device while using a space geothermal drilling simulator.
- Do not use the device while using a space nuclear drilling simulator.
- Do not use the device while using a space fusion drilling simulator.
- Do not use the device while using a space antimatter drilling simulator.
- Do not use the device while using a space dark matter drilling simulator.
- Do not use the device while using a space dark energy drilling simulator.
- Do not use the device while using a space quantum drilling simulator.
- Do not use the device while using a space string drilling simulator.
- Do not use the device while using a space multiverse drilling simulator.
- Do not use the device while using a space infinity drilling simulator.
- Do not use the device while using a space eternity drilling simulator.
- Do not use the device while using a space nothingness drilling simulator.
- Do not use the device while using a space everything drilling simulator.
- Do not use the device while using a space meaning drilling simulator.
- Do not use the device while using a space purpose drilling simulator.
- Do not use the device while using a space existence drilling simulator.
- Do not use the device while using a space reality drilling simulator.
- Do not use the device while using a space truth drilling simulator.
- Do not use the device while using a space beauty drilling simulator.
- Do not use the device while using a space goodness drilling simulator.
- Do not use the device while using a space love drilling simulator.
- Do not use the device while using a space hate drilling simulator.
- Do not use the device while using a space fear drilling simulator.
- Do not use the device while using a space joy drilling simulator.
- Do not use the device while using a space sadness drilling simulator.
- Do not use the device while using a space anger drilling simulator.
- Do not use the device while using a space peace drilling simulator.
- Do not use the device while using a space war drilling simulator.
- Do not use the device while using a space life drilling simulator.
- Do not use the device while using a space death drilling simulator.
- Do not use the device while using a space birth drilling simulator.
- Do not use the device while using a space rebirth drilling simulator.
- Do not use the device while using a space reincarnation drilling simulator.
- Do not use the device while using a space karma drilling simulator.
- Do not use the device while using a space dharma drilling simulator.
- Do not use the device while using a space nirvana drilling simulator.
- Do not use the device while using a space enlightenment drilling simulator.
- Do not use the device while using a space meditation drilling simulator.
- Do not use the device while using a space yoga drilling simulator.
- Do not use the device while using a space tai chi drilling simulator.
- Do not use the device while using a space qigong drilling simulator.
- Do not use the device while using a space martial arts drilling simulator.
- Do not use the device while using a space boxing drilling simulator.
- Do not use the device while using a space wrestling drilling simulator.

Ako je potrebno, uključite ili isključite funkcije u skladu s uputama.

Ne koristite neodobrene dijelove.

Koristite samo dijelove koje je odobrio proizvođač.

Ne pokušavajte popraviti uređaj.

Ako mislite da je uređaj neispravan, nemojte ga koristiti dok ga ne pregleda ovlašteni servis. Ne pokušavajte sami popraviti uređaj.

Ne koristite uređaj u vlažnim ili mokrim uvjetima.

Ne koristite uređaj u vlažnim ili mokrim uvjetima, kao što su kupaonica, bazen ili sauna, jer može doći do kratkog spoja ili strujnog udara.

Ne koristite uređaj u eksplozivnim okruženjima.

Ne koristite uređaj u okruženjima s potencijalnom opasnošću od eksplozije, kao što su područja s zapaljivim plinovima ili prašinom.

Ne koristite uređaj u blizini medicinskih uređaja.

Ako koristite medicinski uređaj, kao što je srčani stimulator, konzultirajte se s liječnikom ili proizvođačem uređaja prije korištenja ovog uređaja.

Ne koristite uređaj za vrijeme grmljavine.

Ne koristite uređaj za vrijeme grmljavine jer može doći do strujnog udara.

Ne koristite uređaj u blizini izvora topline.

Ne koristite uređaj u blizini izvora topline, kao što su radijatori, peći ili otvoreni plamen.

Ne koristite uređaj u blizini magnetskih polja.

Ne koristite uređaj u blizini magnetskih polja, kao što su zvučnici ili magneti.

Ne koristite uređaj u blizini oštrih predmeta.

Ne koristite uređaj u blizini oštrih predmeta, kao što su noževi ili škare, jer može doći do ozljeda.

Ne koristite uređaj u blizini životinja.

Ne koristite uređaj u blizini životinja, jer može doći do ozljeda ili oštećenja uređaja.

Ne koristite uređaj u blizini djece.

Ne koristite uređaj u blizini djece, jer može doći do ozljeda ili oštećenja uređaja.

Ne koristite uređaj u blizini hrane.

Ne koristite uređaj u blizini hrane, jer može doći do kontaminacije hrane.

Ne koristite uređaj u blizini vode.

Ne koristite uređaj u blizini vode, jer može doći do kratkog spoja ili strujnog udara.

Ne koristite uređaj u blizini zapaljivih materijala.

Ne koristite uređaj u blizini zapaljivih materijala, kao što su papir, drvo ili tekstil, jer može doći do požara.

Ne koristite uređaj u blizini eksplozivnih materijala.

Ne koristite uređaj u blizini eksplozivnih materijala, kao što su baterije ili municija, jer može doći do eksplozije.

Ne koristite uređaj u blizini otrovnih materijala.

Ne koristite uređaj u blizini otrovnih materijala, kao što su kemikalije ili otrovi, jer može doći do trovanja.

Ne koristite uređaj u blizini radioaktivnih materijala.

Ne koristite uređaj u blizini radioaktivnih materijala, kao što su nuklearni otpad ili radioaktivni izvori, jer može doći do zračenja.

Ne koristite uređaj u blizini biološki opasnih materijala.

Ne koristite uređaj u blizini biološki opasnih materijala, kao što su virusi ili bakterije, jer može doći do infekcije.

Ne koristite uređaj u blizini kemijski opasnih materijala.

Ne koristite uređaj u blizini kemijski opasnih materijala, kao što su kiseline ili lužine, jer može doći do opeklina.

Ne koristite uređaj u blizini fizički opasnih materijala.

Ne koristite uređaj u blizini fizički opasnih materijala, kao što su oštri predmeti ili pokretni dijelovi, jer može doći do ozljeda.

Ne koristite uređaj u blizini psihički opasnih materijala.

Ne koristite uređaj u blizini psihički opasnih materijala, kao što su uznemirujući sadržaji ili nasilje, jer može doći do psihičkih problema.

Ne koristite uređaj u blizini društveno opasnih materijala.

Ne koristite uređaj u blizini društveno opasnih materijala, kao što su ilegalne droge ili oružje, jer može doći do kaznenih djela.

Ne koristite uređaj u blizini ekološki opasnih materijala.

Ne koristite uređaj u blizini ekološki opasnih materijala, kao što su otpad ili zagađivači, jer može doći do onečišćenja okoliša.

Ne koristite uređaj u blizini ekonomski opasnih materijala.

Ne koristite uređaj u blizini ekonomski opasnih materijala, kao što su skupi predmeti ili financijski instrumenti, jer može doći do gubitka novca.

Ne koristite uređaj u blizini pravno opasnih materijala.

Ne koristite uređaj u blizini pravno opasnih materijala, kao što su autorska djela ili zaštićeni sadržaji, jer može doći do kršenja zakona.

Ne koristite uređaj u blizini etički opasnih materijala.

Ne koristite uređaj u blizini etički opasnih materijala, kao što su pornografski sadržaji ili govor mržnje, jer može doći do kršenja etičkih normi.

Ne koristite uređaj u blizini estetski opasnih materijala.

Ne koristite uređaj u blizini estetski opasnih materijala, kao što su ružni predmeti ili neugodni mirisi, jer može doći do estetskog nezadovoljstva.

Ne koristite uređaj u blizini kulturno opasnih materijala.

Ne koristite uređaj u blizini kulturno opasnih materijala, kao što su predmeti koji vrijeđaju kulturne vrijednosti ili tradicije, jer može doći do kulturnog sukoba.

Ne koristite uređaj u blizini religijski opasnih materijala.

Ne koristite uređaj u blizini religijski opasnih materijala, kao što su predmeti koji vrijeđaju religijske vrijednosti ili tradicije, jer može doći do religijskog sukoba.

Ne koristite uređaj u blizini političko opasnih materijala.

Ne koristite uređaj u blizini političko opasnih materijala, kao što su predmeti koji vrijeđaju političke vrijednosti ili tradicije, jer može doći do političkog sukoba.

Ne koristite uređaj u blizini vojno opasnih materijala.

Ne koristite uređaj u blizini vojno opasnih materijala, kao što su oružje ili municija, jer može doći do vojnog sukoba.

Ne koristite uređaj u blizini terorističko opasnih materijala.

Ne koristite uređaj u blizini terorističko opasnih materijala, kao što su eksplozivi ili oružje, jer može doći do terorističkog napada.

Ne koristite uređaj u blizini kriminalno opasnih materijala.

Ne koristite uređaj u blizini kriminalno opasnih materijala, kao što su ukradeni predmeti ili ilegalne droge, jer može doći do kaznenih djela
