Marketing

Extended retailer text	<p>With the Trust Exis chat pack, you can keep in touch with your friends and relatives all over the world. You can now talk to each other as if you're in the same room. Simply plug in the webcam and headset and without having to install any drivers, you can start sharing those special moments.</p>
-------------------------------	---

Share your world

The webcam has a 640 x 480 resolution to capture the special moments. It is made for online video chats using Skype for example. The stylish and fun Exis webcam also features a smart stand. You can put the webcam on top of your laptop screen or simply place it on a flat surface for stable and secure imaging.

Let's hear it

The chat pack's headset comes with an adjustable headband and soft earpads for comfort. The combination of smart style, in-line volume control and flexible microphone makes this headset ideal for all situations. Simply connect the 1.8m plug to your PC or laptop. So whether you want to Skype with your family and friends, or game online and listen to music; you're good to go!
