------------------------	--

Experience gaming like you have never done before: The 6 integrated speakers in the GXT 26 convey an atmospheric sound feeling. Do not only play the game – be in the game.

Comfort and Play

Enjoy hours of playing with full comfort. The padded ear cups give you full comfort without compromising on sound. The ambient noise reduction lets you keep focused on your game without any distraction from outside.

For any Multiplayer match the foldable microphone ensures a crystal clear communication with your team members.

With the in-line remote control you can adjust the volume or mute the microphone.

Your Gamer Profile – Your Sound

No matter if you prefer a completely raw sound or deep basses. Take control over the game and your sound. The additional software of the GXT 26 lets you adjust the sound to your preferences.
