Marketing

Extended retailer text	<p>To survive in the heat of battle, a modern gaming mouse is an absolute must. You can only be victorious with a gaming mouse that has maximum control. Trust has developed such a mouse, it is designed to meet the demanding of every gamer.</p> <p>Shape and size</p> <p>The sophisticated, well-designed gaming mouse is the perfect complement for modern PC gaming. The ergonomic shape and rubber inserts provide extra grip, making the mouse ideal for long gaming rounds.</p>
------------------------	--

The lightweight USB cable ensures less drag and optimal freedom of movement on your desk. Easy gliding and quiet operation thanks to extra-large, low-friction bottom. With the GXT 34 you have an advantage over your opponents.

Build-in memory

The GXT 34 gaming mouse has internal memory for your gaming profiles. This profiles can easily be changed by a click of button. The Gaming mouse includes software for programming your 7 keys, speed settings and set personal macros.

Laser precision and switchable DPI setting

The extremely precise laser sensor on the GXT 34 Gaming Mouse allows you to work on virtually any surface. In addition, the GXT 34 offers switchable laser dpi settings for very high accuracy. Next to switching DPI and a precise gaming laser, the GXT offers an additional feature a button which makes it easy to switch your gaming profile and speed selection (400-3400 dpi) whilst playing games.
