Marketing

Extended retailer text	Wireless TV for iPad 2, iPhone 3 and 4 (S) Turn your iPad (2 or third generation) or iPhone (4 or 4S) into a mobile TV with the Trust Wireless Digital TV & Radio and enjoy live television wherever you are.
-------------------------------	--

Trust Wireless TV works in 16 European countries. TV has never been so simple, you simply connect the device with your iPad or iPhone, download the free app and get started!

Plug & Go: no laptop required!

If you connect the receiver your iPad automatically opens the Apple App Store to download the free mobile app IDTV. Once the app is loaded, you can watch TV for free without an Internet connection, no matter where you are.

Live TV without Wi-Fi or mobile network

This means that watching TV with your Trust Wireless Digital TV & Radio is completely free for you!

Watch live TV, pause, record and rewind

The IDTV free mobile app allows you to see live TV and pause. Furthermore, you can easily record live TV and watch it at a later time.

Built-in rechargeable battery

The built-in battery can be charged via a USB charging cable which is included. When the battery is fully charged it offers enough energy up to 8 hours of live TV on your iPad or up to 4 hours on your iPhone.

Antennas

The Trust Wireless TV for iPad includes two antennas. A quality indoor antenna to get the best signal inside your home, and for use outside there is a small and portable antenna.
