Marketing

| | |
|------------------------|---|
| Extended retailer text | <p>Be surrounded by powerful engines and roaring exhausts. Or hear every single bullet your enemies shoot on you. The Trust GXT 340 delivers realistic 7.1 sound effects packed in an innovative gaming headset.</p> <p>Hear the difference</p> <p>Experience gaming like you have never done before: The 8 integrated speakers in the GXT 340 create an atmospheric sound feeling. Hear every single detail in the game.</p> <p>Comfort and Play</p> |
|------------------------|---|

Enjoy hours of playing with full comfort. The padded ear cups give you full comfort without compromising on sound, even after hours of gaming. The ambient noise reduction keeps focused on your game without any distraction from outside.

For any Multiplayer match the foldable microphone ensures a crystal clear communication with your team members. With the in-line remote control you can adjust the volume or mute the microphone.

Your Gamer Profile – Your Sound
No matter if you prefer a completely raw sound or deep basses. Take control over the game and your sound. The additional software of the GXT 26 lets you adjust the sound to your preferences.
