Marketing

Extended retailer text	Unique design combined with great sound quality and optimal functionality, the Lace In-ear Headset is the perfect addition for your smartphone or tablet.

Lace-Design
The lace-design differentiates this headset clearly from standard headsets. On top of that, the lace-design makes sure your earplugs do not tangle up. Both earplugs, the inline-remote and the plug are made of high quality aluminum.

Quality sound and earplugs
The earplugs come in three different sizes, making sure there is a perfect fit for everybody. As a result of this perfect fit, ambient noise is reduced making sure you can enjoy the quality sound to the fullest.

Optimal functionality

The headset is tangle-free due to the use of the laces as cables. It can be used for hands free phone calls through the inline microphone and call pick up button. When used with smartphones or tablets, the call pick up button features as a media button as well.*
