Marketing

Extended retailer text	<p>The Trust Weatherproof Sleeve is made of a splash-resistant rubber material. In addition, it has a splash-resistant zip and provides protection for your tablet against rain spill.</p> <p>Ultimate Protection</p> <p>The outside of the weatherproof sleeve which is completely covered by shock-absorbing bubbles protects your tablet against wind and rain. The inside is finished with a high-quality, durable rubber coating made of micro-fiber to protect your tablet against damages and scratches. The Trust Weatherproof Sleeve is completely splash-resistant, including its splash-resistant zip. Thus, your tablet is always protected against rain and wind and furthermore it is also easy to clean.</p>
-------------------------------	---

Easy to Use

Besides the optimal protection the sleeve also provides practical features. Thanks to the large zip you can completely unfold the sleeve thus you can use your tablet without taking it out of the sleeve. A nice feature which you don't have at other sleeves where you always have to take your tablet out of the sleeve when you need it. In addition, thanks to the rubber straps in the inside any tablet from 7-8" can be easily attached into the sleeve.
