### Marketing

**Extended retailer text** Are you looking for a headset especially for your child? The Trust Sonin Kids Headphone can be decorated with any stickers to your heart content to suit it to your child.

Fun for your young and old

With the Sonin Kids Headphone your child can freely play games or watch movies. Thanks to the included stickers your child can decorate the headphone to his heart content and make it a unique companion for him.

The headphone can be used in combination with a tablet, computer or TV and is easy to connect thanks to its 3,5mm plug. With the in-line remote control you can easily adjust the headphone's volume.

Safe for children

The Sonin Kids Headphone is made of child-friendly materials\* which makes it safe for your child to use and is recommended for children up to 4 years. To protect your child's ears, Trust has built in a limiter into the Sonin which prevents hearing loss.
