Marketing

Extended retailer text	<p>You speaker 24 hour a day at your fingertips: this Urban Revolt Drum Speaker is so small that it fits into any (school) bag, trouser or jacket pocket! Be surprised, despite its small size this speaker convinces with strong sound!</p> <p>Ultra Portable Design</p> <p>With its 44mm diameter and 50mm height this is one of the smallest Bluetooth speakers on the market. Wherever you go, always carry this speaker in your pocket. Listen to your favorite music in the park, on the beach or during your break at school or at work.</p>
-------------------------------	---

The speaker is available in three different color combinations, features a metal grill and is finished with a rubber coating for a perfect grip.

Ease of use

The speaker has two connection options; wirelessly via Bluetooth or wired via 3.5mm jack. Usage is simple: turn the switch on the bottom in Bluetooth or line-in mode, connect your smartphone or tablet via Bluetooth or via the included cable and this speaker is immediately ready to use. Further operation of your speaker can be easily done via the music player on your tablet, smartphone or laptop.

Internal rechargeable battery

The speaker features a built-in battery which has enough power for playing music up to four hours. Via the supplied USB cable, you can easily charge the speaker via your phone charger, laptop or PC.

At home, at school, at work or on the road: this Urban Revolt Drum Speaker is your perfect companion!
