### Marketing

<b>Extended retailer text</b>	<p>Do you want to protect your iPad Air against bumps, scratches and dust without keeping it in a thick and heavy case? Then the Trust Aeroo is the perfect solution. Due to its thin and light design you won't even notice that your iPad Air is in a case: optimal protection of your iPad Air without having to give up its ultrathin and slim design.</p> <p>Design</p> <p>The iPad Air is thinner, slimmer and lighter than the prior iPad versions. The same is the Trust Aeroo: Thanks to its well-thought design with a 2mm thickness and a weight of 90 gram it keeps your iPad Air thin and light in the case. The outside of the case is built solidly and has a fine structured, soft surface. The velvet soft inside provides optimal protection.</p>

## User-Friendliness

Thanks to the tailor made, intelligent Click system you can easily lock the iPad Air into the case. In combination with the multifunctional back cover you can place the iPad Air in different angles. Additionally, the case has a built in awake and sleep function making your iPad Air awake when opening and sleep when closing the case.

Of course you can flip the cover to use the iPad Air in a lying position. Thanks to the low angle you can easily type on your iPad Air when mailing or surfing in the internet. The magnetic closure ensures a perfect fit in the case of your iPad Air without the need of any elastic band.

Since this case is specially design for the iPad Air it has all the necessary cut outs for the cameras, buttons and ports.

## Protection

Despite its ultrathin and light design this case provides optimal protection against bumps, scratches and dust.

Ultrathin, ultralight, multifunctional and optimal protection: The Trust Aeroo is the perfect addition to your iPad Air.
