Marketing

Extended retailer text	<p>Wireless, compact and easy to use: Listen to your favourite songs wherever you are with the UR Vybe Wireless Speaker. Ideal in the park, on the beach or during the break at school and work.</p> <p>360° Sound</p> <p>The unique design of the UR Vybe Speaker provides the best possible sound experience. The speaker features an open top which enables optimal sound in all directions. Thus, you can place it wherever you want.</p>
------------------------	---

Ultra-Portable Design

Listen to your favourite music in the park, on the beach or during the break school and work. Wherever you go the speaker is easy to transport in your jacket pocket. The UR Vybe is available in three different colours and has a rubber coating for the perfect grip.

Easy to Use

The speaker features two connection possibilities: wireless via Bluetooth or via the 3,5mm plug. The operation is very easy: Couple your smartphone or tablet with the button on the side of the speaker for wireless sound. Otherwise easily connect it with the including 3,5mm cable.

Fully control the music you listen to with the 4 side buttons (Play/Pause, Volume & On/Off). Thanks to the integrated microphone you can do hands-free calls. The Play/Pause button serves as a Call/Pick-up button, then.

Internal Battery

The speaker provides an internal battery which enables 4 hours of playback. Thanks to the included USB cable you can easily charge the speaker via a wall plug, your PC or Laptop.
