Stylish Earplugs and Design

The outstanding design of the Urban Revolt Flash with its soft rubber finish complements any outfit you wear. In addition, the colourful combinations gives the headphones its fresh look. To ensure a perfect fit, three different sized rubber earplugs are included. Thus, you can fully enjoy your music without being distracted from other noise.

Media Features

With the UR Flash Reflecting In-Ear Headphones you cannot only enjoy your music but also pick up calls. When using it with a smartphone the built-in remote control serves as a call-pick up button. When listening to music the remote provides media features.*
