Marketing

Extended retailer text	Once you have your own tablet, you want to protect it the best you can. For a smooth experience without any scratches on the touchscreen, you can use the Trust Screen Protector.
	Protection

Protect your Galaxy Tab 4 screen from scratches and other damages. The anti-static function of the protector additionally makes your screen less sensitive to dirt and dust.

2-in-1

The Trust Screen Protector kit includes two protectors. Thus, you have a spare when you need to replace the old one. Once removed from the screen, the protector does not leave any residues and keeps your screen clean.

Easy Application

Get your tablet screen protected in three easy steps:

1. Wipe the screen with the included cloth
2. Place the screen protector on the screen
3. Use the included smoothing card to iron any air bubbles
