## Marketing

<b>Extended retailer text</b>	<p>Once you have your own tablet, you want to protect it the best you can. For a smooth experience without any scratches on the touchscreen, you can use the Trust Screen Protector.</p> <p>Protection</p> <p>Protect your Galaxy Tab 4 screen from scratches and other damages. The anti-static function of the protector additionally makes your screen less sensitive to dirt and dust.</p> <p>2-in-1</p> <p>The Trust Screen Protector kit includes two protectors. Thus, you have a spare when you need to replace the old one. Once removed from the screen, the protector does not leave any residues and keeps your screen clean.</p>
-------------------------------	---

## Easy Application

Get your tablet screen protected in three easy steps:

1. Wipe the screen with the included cloth
2. Place the screen protector on the screen
3. Use the included smoothing card to iron any air bubbles
