<b>Package contents</b>	- Laptop cooling stand with attached USB cable
<b>System requirements</b>	- USB port

### Marketing

<b>Extended retailer text</b>	<p>Enjoy a fresh experience when working with your Laptop. The Azul Cooling Stand prevents your laptop from overheating and enables a comfortable working experience.</p> <p>Cooling</p> <p>Laptops start to get warmer when working for a longer period of time. This is when the temperature protection is being activated and the performance decreases.</p> <p>The Azul features two big illuminated cooling fans. Combined with the meshed metal surface, it cools the entire bottom of your laptop.</p>
-------------------------------	---

---

#### Advanced Working Experience

Work longer and more comfortable. The angle of the cooling stand ensures an ergonomic typing position.

#### USB Powered

Stay mobile: The Azul is powered by the USB port of your laptop. Thus, you can work with it wherever you want without the need of a power socket.

The additional integrated USB port gives you more flexibility when you want to connect another USB-device.
