## Marketing

<b>Extended retailer text</b>	<p>Do you want to protect your Samsung tablet against bumps, scratches and dust without keeping it in a thick and heavy case? Then the Trust folio stand is the perfect solution.</p> <p>Ultra-Light Design</p> <p>Thanks to its well-thought design with a 2mm thickness and its light weight, you don't even notice the case while using your tablet.</p> <p>Extremely versatile</p>
-------------------------------	----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

Flip your tablet into three different angles so you can work, play or watch a movie. Thanks to the low angle provided by the folio case you can easily type on your tablet when mailing or surfing the internet.

No matter which 10" Samsung\*\* tablet you have, this folio stand fits like a glove.

#### Stick&Go

Stick your tablet without the need of any annoying straps. Thanks to the advanced Stick&Go function you can easily stick you tablet on an effective pad\*.

#### Rock-Solid

The case provides optimal protection despite its ultrathin and light design.
