## Marketing

Extended retailer text	Do you always wanted to be the DJ during your next party? The Trust Urban Fiësta Go Wireless speaker is the perfect solution! The Fiësta Go provides powerful sound, has an integrated rechargeable battery, is easy to lift and
------------------------	--

includes a microphone for parties and events anywhere. The Fiësta Go can be used wireless with any audio device such as a phone, tablet, computer etc. in order to keep the music right by your side while you are dancing.

Portable and hours of listening

With two wheels and a retractable handle the Fiësta Go is easy to carry around. The Fiësta can also be lifted easily by the two handles on the side to move the speaker anywhere.

The Fiësta Go has an integrated rechargeable battery which can last up to 50 hours! The battery can be easily recharged by the included power cable. If your battery runs out during a party, you can continue to use the speaker by connecting it to a power socket. Therefore the speaker will last longer than any tablet or smartphone.

Sound

With 30 watts output the Fiësta Go offers more than enough power to provide every party or gathering space with a full and powerful sound. Whether you want to use the speaker indoors or outdoors during a party or ceremony the Fiësta Go is ideal for any situation. Do you need maximum power? An option is to combine multiple Fiesta's to improve the power of the sound.

Connection

The Fiesta Go can easily be connected to your smartphone, tablet, laptop or MP3 player by using the included 3.5mm audio cable. It also features Bluetooth connectivity for compatible devices.

The Fiësta Go Wireless speaker also has a connector for the microphone, and a connection for a musical instrument like your guitar or keyboard.

In addition, the Fiësta contains an USB port that allows you to charge your tablet or smartphone. Simply plug the included power cable from your tablet or smartphone in the speaker which provides sufficient power for the entire evening. Once connected you can easily place your tablet or smartphone in the holder on top of the speaker.
