System requirements	<ul style="list-style-type: none"><li>- Smartphone with width between 54 and 83 mm</li></ul>

### Marketing

Extended retailer text	<p>Do you rely on your smartphone for navigation, calls and music while driving? As holding the phone is illegal and limits the driving ability, the premium car holder is the perfect solution! Your smartphone can be mounted to the window of your car or any other flat surface thanks to the strong windshield suction cup.</p>
------------------------	--

#### Strong and safe design

The car holder is a must have item for both your smartphone and your car! The car holder keeps your smartphone in the same place while driving. In addition, the rubber coating of the holder prevents your smartphone from getting scratched! The adjustable fixing clamp makes sure that your smartphone is held firmly, even with a case. Thanks to the release button, you can detach your smartphone easily with just one hand.

#### 360° rotatable

The Trust Urban Premium Car Holder is perfect for navigating, playing music and hands free calling while driving. Thanks to its adjustable angle, the car holder is 360° rotatable and all smartphone buttons and connectors are easily accessible.

#### Compatible with all smartphones up to 6"

The Trust Urban Premium Car Holder is compatible with all kinds of smartphones, no matter what type of protective case it has, as long as it isn't bigger than 6 inch (width 54-83 mm).
