Extended retailer text	<p>Take your gaming experience to the next level with the GXT 363! This illuminated gaming headset with bass vibration will give you the optimal gaming experiences. The Trust GXT 363 delivers a virtual 7.1 surround sound for a realistic sound experience.</p> <p>Unique experience with bass vibration</p>
------------------------	---

With the GXT 363, you will experience gaming like you have never done before. The powerful 50mm active bass vibration speakers create an atmospheric sound feeling. In addition, it has an excellent sound quality with deep bass. With the magnificent sound, every single in-game detail can be heard.

Comfortable design

The GXT 363 is designed for long and intense gaming sessions with its comfortable meshed ear pads. The ear pads fit around your ear perfectly and help to cancel any noise while you are playing a battle against or with your friends. As well as being very comfortable, it has a great design with its rough coating exterior.

Besides that, the GXT 363 Bass Vibration Headset features a microphone, which picks up your voice easily while talking to friends. Not a word will be missed while talking to your team mates during that one crucial battle!

Inline remote

The GXT 363 features a 3 meters long anti-tangle nylon braided cable. The cable includes an extensive inline remote with volume control, volume mute, microphone mute, bass vibration control and illumination control.

Your Gamer Profile – Your Sound

No matter if you prefer a completely raw sound or deep bass. Take control over the game and your sound. The equalizer in the additional software lets you adjust the sound to your preferences.
