## Marketing

**Extended retailer text**

Take your music with you wherever you go. Whether you are going hiking, canoeing or going on a road trip, the Trust Urban Ambus speaker is the ideal solution with its compact size and powerful sound (6W).

**Wireless Bluetooth speaker**

The Trust Urban Ambus is a wireless Bluetooth speaker, which works within a range of 10 meters. You can use it for hands-free calling or listening to music. Easily adjust the volume or pickup incoming calls by simply pressing the right button.

**Ultimate protection**

Whether you enjoy laying at the pool or being active outdoor, the Trust Ambus speaker is perfect for any adventure! With the speaker you can listen to your favorite music while enjoying your outdoor adventure. You won't have to worry about protecting your speaker against rain, as the IPX5 technology makes the speaker spill and splash proof. The solid design with rubber material takes care of any possible shocks.

**Friendly for travelers**

Keep your hands free by attaching the speaker to your backpack with the included carabiner hook. Or bring it with you by putting it in your bottle holder on your bike, or in the special bottle pocket of your bag. The grip-design makes sure it stays in place! Its rechargeable battery, allows for 15 hours of playtime.
