Multimedia keys

Besides all the standard keys you would expect a classic keyboard to have, the ClassicLine Multimedia Keyboard also features multimedia keys for easy control of your music. In addition to the multimedia keys, the ClassicLine Multimedia Keyboard has a power, sleep and wake up button. These keys makes the ClassicLine Multimedia Keyboard a very comfortable keyboard to work with.

Plug and Play

The ClassicLine Multimedia Keyboard is developed following the Plug and Play concept. Simply plug it in the USB port of your computer, your computer installs the keyboard automatically within a few seconds and you're ready to go. No drivers, CDs or extra software needed.
