## Marketing

Extended retailer text	<p>Are you at a crucial point in an exciting battle and your batteries are about to die? Don't worry, with the GXT 230 Charge and Play kit for Xbox One you can play for hours!</p> <p>Optimal freedom</p> <p>Never run out of batteries by upgrading your controller with the Charge &amp; Play kit. This kit ensures optimal freedom while you are gaming, since it can be used wireless (when the battery is charged) or via the 3 meters included cable. This will give you enough reach to continue gaming from your favourite place and game continuously without a charging break.</p>
------------------------	---

Charge & Play

The GXT 230 allows you to charge while playing. The integrated LED light indicates whether the Charge and Play Kit is being charged or not. Besides, the charging of the GXT 230 also continues when your Xbox One is in standby mode. When the GXT 230 is fully charged, it allows up to 10 hours of playtime, depending on the type of game you are playing.
