Marketing

Extended retailer text	With the handy travel set consisting of a 16'' laptop carry bag and compact wireless mouse, traveling and working was never this comfortable! Focusing on solidness and multiple ways of usage, this bag gives you full safety for your devices and enough storage space for all your essential accessories. The carry bag for 16'' laptops comes with an adjustable shoulder strap and back-strap for trolley attachment, where the mouse has a clever micro USB receiver.

Sydney Line style

Keeping in mind the previous top-features, this carry bag corresponds fully with the Sydney Line characteristics. Sturdiness and versatility are key. The cushioned main compartment is perfect for laptops up to 16" (365 x 263 mm) and the big front pocket allows you quick-access to all your personal belongings like wallets, mobile phones and necessary laptop accessories.

Clamshell (CLS) design

The special Clamshell design makes sure that your laptop and accessories are safe against shaking and scratching during your trips. But for those who have an eye for details, the carry bag has some nice surprises. Finished with full metal zippers, zipper pullers and buckles, the bag is super solid. And at last, the adjustable shoulder strap has a cushioned pad for extra comfort.
