System requirements	<ul style="list-style-type: none">- PC/ Laptop with USB port - Windows 10, 8, 7

Marketing

Extended retailer text	<p>Comfortable During Long Gaming Sessions</p> <p>The Trust GXT 130 Gaming Mouse has an ergonomic shape which makes it ideal and comfortable for long gaming sessions. In addition, the mouse has a rubber coating on the outside in order to ensure an optimal grip. The GXT 130 also features 3 additional thumb buttons, a forward, backward and CTRL button, which makes this mouse even more advanced.</p> <p>Triple Fire Button</p>
-------------------------------	---

Thanks to the triple fire button on the GXT 130 no enemy is faster than you. Use this button when playing to shoot not just once but three times with one click of a button. This enables you to take on all opponents and triple your chance to win.

Precision is key

The GXT 130 Gaming Mouse is equipped with a precise optical gaming sensor with an adjustable speed of 800 dpi to 2400 dpi. Switch DPI quickly with the increase/decrease buttons while playing to adjust the speed to any situation. This wireless gaming mouse is as accurate and fast as a wired gaming mouse. With eight meters wireless connection, this mouse has enough range for any gaming setup. Due to the smart power management system, which activates the sleep mode when not used for 8 minutes, you can use the mouse for many battles, races or quests without replacing the battery.
