Marketing

Extended retailer text

If you use already a gaming mouse, a gaming keyboard or gaming speakers because their features give you an advantage over your opponents, don't miss the chance of wearing a headset that enhance the specific sound of videogames with a spectacular quality.

The GHS-303 Headset from Trust is designed especially for PC gaming and it has soft ear pads for long and comfortable gaming sessions. The microphone and headband are adjustable.

In the headset cable you will find a remote control that allows you to raise and lower the volume and to turn on & off the microphone.
