Extended retailer text	<p>Three adhesive protective sheets for optimal protection of your Apple Watch’s display. Simply place them in three steps. Thanks to its crystal clear materials, the screen protector will not affect the immense clarity, details or functionality of your Apple Watch display. As it is anti-static, dust or filth are not attracted and it is easy to clean.</p> <p>Enjoy a long-lasting, crystal clear Apple Watch Display</p>
------------------------	--

The screen protector is compatible with all Apple Watch models; Apple Watch Sport, Apple Watch and Apple Watch Edition. This screen protector protects your display from dust and scratches without affecting your display's functionality or clarity. Optimal protection whilst getting the most out of your Apple Watch.

#### Three Pack

Like every screen protector, after using at a daily base for a long time, you might want to refresh your screen protector. As the screen protector comes in a three-pack, Trust provides you with two spare ones. Simply remove the old screen protector, your display will appear as new without any marks, and place a new screen protector. Proper protection makes sure you can enjoy your Apple Watch for a long time.

#### Easy to apply

Apply the Trust screen protector on your Apple Watch in three easy steps:

- Use the included cleaning cloth to clean your display
- Apply the screen protector to your Apple Watch display
- Remove the bubbles by using the included card and enjoy!
