Extended retailer text	The Trust GXT 213 USB hub shows an ultimate balance between functionality and style. The four ports allow you to use multiple USB-powered devices at once, while the detachable mouse bungee keeps your desktop free from tangling mouse cords and drag while gaming. Besides, the tripod design and blue LED lights on both the top and side make it an eccentric and outstanding item to definitely add to your gaming setup. Improve your gameplay A unique item every gamer should have! The stable but flexible arm holds your mouse cord in place, making sure that it will not tangle up or interfere with your gaming experience. Besides, the arm can be placed in all three

angles of the hub, according to your liking. The solid base of the tripod is covered with anti-slip, keeping it in place at all times.

The hub is specially designed to take a very limited amount of space on your desktop, giving it a tidy and neat look.
