When doing an intense workout, most earphones fall out of your ears quickly. Trust Urban’s customisable Bluetooth In-ear Sports Headphones offer a perfect and secure fit, preventing your in-ear headphones to fall out. As these headphones also feature 4 hours of battery life, these are perfect for all your workouts.

Comfortable and secure fit

No more annoying headphones or earphones that keep falling out of your ears, Trust Urban’s Bluetooth In-ear Sports Headphones offer the solution. A comfortable and secure fit enables you to listen to favourite music no matter what sports you do. On top of that, the headphones connect wirelessly to your smartphone, making sure you do not have to use any cables anymore to connect to your smartphone.

Feel free to use at rainy days

Planning to work out on a rainy day? You can use these in-ear headphones safely! These in-ear headphones have been IPX5 certified, meaning they can withstand up to 12,5 litres of water per minute.

Full control

Get in control of your smartphone without taking it out of your pocket, the in-line remote offers all the controls you need. Simply use the middle button to pick-up phone call, or use the three different buttons to navigate through your music playlist, or adjust the volume.
