### Marketing

<b>Extended retailer text</b>	A must-have accessory for every Apple Watch owner! The Air Vent Car Holder makes you keep your watch in sight and stored safely while driving, but also charges at the same time. Keep an easy eye on incoming notifications and keep you battery full all day.
-------------------------------	---

It's easy as that!

Using the Trust Urban Air-vent car holder is simple. First, you attach the plug to your air vent. Luckily it fits all common air vents, where it will stay firm and tight to make sure that your Apple Watch is secured. Second, you mount your Apple Magnetic Charging Cable to the holder, and finally slide your watch over the hooks. Easy as that!
