System requirements	<ul style="list-style-type: none">- Wall socket to charge the powerbank- Petrol car with max. 4 litre engine or diesel car with max. 2.5 litre engine

Marketing

Extended retailer text	<p>Are you already running late for work or an important meeting when you discover that you have forgotten to turn off the lights of your car? With the Trust Powerbank 10.000 mAh this is no longer an issue, simply use the included car jump starting set and you will be on your way in no time!</p> <p>Easy to use</p>
------------------------	---

You can now travel with your car with absolutely no fear of draining your battery empty and getting stuck in the middle of nowhere. In this emergency case, you only have to connect the black clamp to the negative of your car's battery and the red clamp to the positive and once the engine has successfully started, disconnect the jumper cable clamps (included). You are therefore no longer dependent on the helpfulness of other people when you have a dead car battery.

With the included wall charger you can easily recharge the Trust Powerbank when needed. The battery status indicator will tell you when the Powerbank is fully charged.

Charge devices on the go

But that's not all, the car jump starter integrates a 10.000 mAh powerbank that allows you to charge your smartphone, tablet or camera everywhere. It has 2 outputs of 1A and 2.4A (tablet fast charge) to charge 2 devices simultaneously. It charges your smartphone for 42 extra hours of use and your tablet for 16 extra hours*

*depends on brand/model and battery condition

Compact

The Trust Powerbank can be stored in the included carry case. This case is compact and can be placed in the glove compartment of your car. Ensuring that the Trust Powerbank is within your reach when you need it.

Highest level of protection

The Trust Powerbank with car jump start function offers the highest level of protection. It provides protection against short circuit, reverse polarity, overcharging, overheating etc. Ensuring the safety of yourself, your car and your Trust Powerbank. It even includes a powerful flashlight with SOS mode, with which you can easily warn other drivers that you are stranded and in need of assistance.

Specifications

Total weight	350 g
Number of USB ports	2
