Marketing

Extended retailer text	Are you searching for a compact 2.1 speaker set with Bluetooth, which delivers rich and clear sound? Then search no further. The Trust Evon offers quality sound and can be used with your PC, laptop, phone, tablet, TV, DVD-player or MP3 player. Powerful & compact
-------------------------------	---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

With a peak power of 30W (15W RMS), the speaker set provides a rich and clear sound. The Trust Evon features a down firing subwoofer, which delivers a deep bass. Easily adjust the bass or volume with controls placed on the right side of the subwoofer.

Wired or Wireless

The Trust Evon is not only perfect for your PC, but can also be connected to your phone, tablet, TV, DVD-player, MP3 player and other audio devices. You can connect these devices via cables to the right side of the subwoofer or with Bluetooth technology (if supported by device).

Smart Power Management

To save energy, the speaker automatically switches to standby mode when not used. Once your device starts to play music again, the speaker automatically turns back on. This smart power management feature can be turned off if desired.

Specifications
