Want to start your presentation or start working on your laptop or PC? Simply plug the micro receiver into an USB port and switch to either mouse or presenter mode. The wireless receiver allows you to move freely within a range of 10 meters. When you are finished with the Trust Premo you can easily store the micro receiver in the presenter itself.

Special PowerPoint functions

The Trust Premo includes various PowerPoint and slide show functions. You can easily start and stop your presentation with it. It also features a next slide and previous slide button. Want to pause your presentation to gain the full attention of your audience? Then you can use the black screen function of the Trust Premo.

Red laser pointer

With the red laser pointer you can emphasize important aspects of your presentation. The red laser is clearly visible, even in light surroundings. Ensuring that your audience will fully know what you are pointing at.
