System requirements	<ul style="list-style-type: none">- Charger or computer with USB port (to charge the battery)

Marketing

Extended retailer text	<p>Never worry over an almost empty battery again with the Trust Primo Powerbank. With the 8.800 mAh battery, you will always remain in contact with the world around you. It has enough power to keep you out on business or travelling for days: it is the accessory to take with you on the road!</p> <p>Reach full power</p> <p>This portable charger has one 5W/1A USB port and one 10W/2.1A port. These ports come with an autodetect function to make sure your devices are charged at their maximum speed. And your devices are not only charged</p>
-------------------------------	--

quickly but also safely because of the built-in smart protection system. This is not all, the maximum power output allows for charging of not only one, but two devices at the same time!

Universal compatibility

The Primo powerbank charges smartphones up to 35 extra hours and tablets for up to 13 extra hours depending on your brand and model. The package includes 2 micro USB charge cables to connect your powerbank easily. These cables are compatible with all micro USB smartphones and tablets such as Samsung smartphones and tablets. For your Apple devices, you can easily use your own Apple lighting cable.

Smart and safe design

Thanks to the integrated LED indicator, you can always check the battery status of the powerbank to make sure it never runs out of power. And whether you are having difficulty locating your keys in the dark or are out camping, with the flashlight function, you'll have light when you need it.
