Trust Evo Wireless Optical Mouse

The Trust Evo Wireless Optical mouse is the perfect addition for every workplace! As it features a precise optical sensor, can be used wirelessly within a range of 10 meters and ensures long-lasting comfort because of its ergonomic design.

Plug & Play wireless receiver

Want to use the Trust Evo mouse? Simply plug the micro USB receiver into an USB port and you can start using it. The receiver allows the Evo mouse to work wirelessly within a range of 10 meters. When you are finished using the Evo mouse you can easily store the receiver in the mouse or simply leave the receiver in your laptop/pc.

Ergonomic design & perfect grip

The Trust Evo mouse combines comfort and design. The mouse smoothly fits your hand and the sides are rubber coated. Thanks to this, it ensures maximum grip and an optimal, long lasting comfort. In combination with its tasteful design, this mouse offers everything you need in a professional working environment.

Thumb buttons

Do you want to switch easily between programs, quickly go to the Windows start menu or zoom in/out with just a click of a button? With the 4 thumb buttons you can do this with only one click, saving you essential time.

Advanced technology

With the LED indicator you can easily check the status of your battery. In addition, you can choose your favorite DPI – level (800/1200/1600) by clicking the speed select button of the mouse.
