Marketing

Extended retailer text	<p>Continue working in the dark</p> <p>Whether you're finishing that important report or finally defeating that in-game enemy; you will be able to continue working and playing in the dark. The keyboard's LED illumination can easily be switched off again during the day.</p>
-------------------------------	---

Multimedia keys

For easy control of your multimedia, the Elight Illuminated Keyboard features 12 keys with multimedia functions. This allows you to adjust volume, start a search or open your email with just one click of a button.

Easy to use

The keyboard is very easy to use. Just plug in the 1.4m USB cable and you can start typing immediately. Plug in and go; even in the dark!
