Marketing

Extended retailer text	Enjoy gaming on your PlayStation 4 console without having to worry about whether your controllers are fully charged. With the GXT 245 Duo Charging Dock, you will be ensured of fully charged gaming controllers. Charge & store Don't waste any time searching for your PlayStation 4 controller. With the GXT 245 Duo Charging Dock you can easily store and charge two game controllers at the same time. Your PS4 controllers will be fully charged within 2 hours and ready for your next gaming battle. Duo Charging Dock

The Duo Charging Dock works as a space saving solution to store your PS4 controllers. This way your controllers never unnecessarily lie around on your table. Its stylish and slim design makes it the perfect companion for your PlayStation 4.
Easy to use
Plug the GXT 245 charging dock in a wall socket with the included power adapter. There is no need to keep your PS4 in standby mode for charging anymore. Simply attach the Easy connect ® converters with loop through port to your PS4 controllers and place the controllers in the charging dock.
