Marketing

Extended retailer text	<p>Do you want to experience every sound your PS4 games have to offer? With the illuminated GXT 353 Bass Vibration Headset you will not miss a sound and hear your opponent coming.</p> <p>Powerful & clear sound</p> <p>The GXT 353 features powerful 40 mm active bass vibration speakers, with which you can hear every single in-game detail clearly. This vibration effect allows you to experience your game like you have never done before.</p>
------------------------	---

With the microphone you can chat with your friends or components while gaming. The USB connection ensures crystal clear sound and distortion free chatting. So your fellow gamers will not miss a word you are saying during that crucial battle.

Integrated control

All controls of the GXT 353 are conveniently integrated in the ear pad. Easily adjust the volume with just a click of a button. Or quickly mute the microphone when you need some privacy. You can also turn the vibration function of the headset on or off whenever you like.

Comfortable design

The GXT 353 features soft padded ear pads, which ensure comfort during long gaming sessions. The headband can be adjusted to create the perfect fit. The GXT 353 has an extra-long cable of 3m, which allows you to move around freely during a gaming session.

Specifications
