<b>Extended retailer text</b>	<p>Need to charge your smartphone, but can't find the right cable or charger? Is the cable broken or too short? With the Trust Urban Yudo Wireless Charger you don't need to search for the right cable or charger anymore. Simply place your Qi-compatible smartphone on the charging pad and it charges automatically.</p> <p>Easy to use</p>
-------------------------------	---

Tired of all the different cables and chargers cluttering up in your home or office? Simply share this stylish and thin charging pad at home or in the office. You can easily place the charging pad on your coffee table, next to your sofa or on your desk. The Trust Urban Yudo charges the Qi-compatible smartphone automatically when it is placed on the charging pad.

#### Efficient charging

The Trust Urban Yudo charges your smartphone just as fast as a conventional wired adapter. Its 5W power output will charge your smartphone safely and constantly. Simply connect the included micro-USB cable to your computer or USB charger.

#### Night Mode

The LED light will indicate whether your phone is charging. The light will turn off after 20 seconds, so you won't be bothered by it when using the charging pad on your nightstand for example. You can now comfortably use it wherever you prefer.
