| System requirements | - Device with USB Type-C port |

Marketing

| | |
|-------------------------------|---|
| Extended retailer text | <p>This Trust USB hub brings you four classic USB-A ports that allow you to connect your USB-A peripherals with your new Ultrabook or other device with a USB-C port.</p> <p>Old meets new</p> <p>While more and more devices feature USB-C, this hub makes it possible to still use your good old flash drives, mice and keyboards on your new USB-C devices. With this hub there is no need to buy everything new.</p> <p>Plug & Play</p> <p>The Oila hub is a plug and play device, meaning you can simply plug it in the device and it will work right away. No need for additional power or installing software.</p> |
|-------------------------------|---|

This small, lightweight and compact hub fits in every bag or pocket and doesn't need a power plug. Make sure you are never short of USB ports again, even when travelling or on holiday.

USB 3.1

The Hub features USB 3.1 gen 1. This means it allows data transfers at a speed of up to 5 Gbps, which is about 10 times faster than the previous USB 2.0! This hub is backward compatible, so you can still plug in your older USB devices and use them without any problems.

Specifications

| | |
|---------------------------------------|---|
| Total weight | 39 g |
| Height of main product (in mm) | 15 mm |
