#### LED light show

On top of the speaker you'll find a party light that brings you a multi-colour 360-degree LED Light show, which reacts and moves to the rhythm of your music. This way, the lights will dance to the music just like you will!

#### Easy button control

The volume, media and light buttons allow you to switch tracks, pause the song, adjust the volume, or change the LED show. Due to call-pick up buttons, the Dixxo Wireless Speaker enables you to make hands-free calls as well.

#### Built-in MP3 player

The Dixxo Go speaker has a built in MP3 player, which allows you to plug in an SD card and play the music straight from there. This way, you don't have to connect phones or tablets, you can play the music directly from the speaker!

#### Portable Design

Thanks to its compact design you can take the Dixxo Go speaker anywhere you want. It has a rechargeable battery that brings you up to 8 hours of playtime, depending on the volume and light show. Thanks to the rubber protective sleeve, your speaker is protected against dents and scratches, so you don't have to worry about damaging it!
