Extended retailer text

Enjoy peace and quiet, for yourself and those surrounding you. Whether it is at home or in the office, with the Evo Silent wireless set you will not be distracted by clicking or typing sounds.

Comfortably silent

Comfortably work or study for hours with the Trust Evo wireless set. The Trust Evo mouse combines comfort and design. The mouse smoothly fits your hand and the sides are rubber coated. Thanks to this, it ensures maximum grip and an optimal, long lasting comfort.

Easily adjust the typing angle by folding the feet of the keyboard, to ensure optimal typing comfort. The rubber pads on the bottom of the keyboard assure a stable position on your desk.

Adjustable DPI

Easily adjust the DPI of the mouse by pressing the DPI button. (800/1200/1600). An indicator on the mouse will show you which DPI setting is selected.

Plug & Play wireless receiver

Want to use the Trust Evo set? Simply plug the micro USB receiver into an USB port and you can start using it. The receiver allows the Evo set to work wirelessly within a range of 10 meters. When you are finished using the Evo set you can easily store the receiver in the product or simply leave the receiver in your laptop/pc. Thanks to the battery status indicators, you will know when it is time to change the batteries.

Extra buttons

The Evo mouse and keyboard offer you some extra buttons that can come in handy any time. The mouse has four thumb buttons which allow you to open the Windows start menu, zoom in or out and go to a previous or next web page in your browser. Allowing you easy access without moving your mouse!

The keyboard has eight special function keys that allow you to adjust volume, start a search, go to your homepage and open your email with just one click of a button.
