The GXT 322 takes your gaming to the next level with its excellent quality sound with deep bass. With the magnificent sound every single detail can be heard.</p>
------------------------	---

Comfortable design

The GXT 322 is designed for long and intense gaming sessions with its comfortable meshed ear pads. The ear pads fit around your ear perfectly and help to cancel any noise while you are playing a battle against or with your friends.

The 3.5 mm jack is ideal for connecting the headset to your PC, whether you want to use the headset for PC Gaming or with your laptop.

Flexible microphone

The GXT 322 Headset features a microphone, which picks up your voice easily while talking to friends. You can bend the microphone into any position that is best for you. Not a word will be missed while talking to your team mates during an important battle!
