### Marketing

#### Extended retailer text

Looking for a convenient gaming mouse that covers all your basic gaming needs? With its 6 responsive buttons, ambidextrous design and breathing LED illumination, this gaming mouse will give you all you need.

#### Fast and precise gaming

The mouse comes with 6 responsive buttons for ultimate productivity and efficiency. No software is required to set up the buttons, so you can directly start gaming! Switch the speed with the dedicated button from 800 up to 2000 DPI. Use a lower DPI setting for precise sniper shots and a high DPI for ultrafast gameplay.

#### Comfortable victories

This gaming mouse is made for comfort, no matter whether you're right or left handed. It is therefore the perfect mouse when you need to share your gaming mouse with your family or friends who use a different dominant hand to control the mouse. The breathing light effect will bring all gaming setups to life. Get ready for victory!
