Marketing

Extended retailer text	Take your gaming to the next level with the GXT 313! This illuminated PC headset is perfect for playing your favourite games because of its soft ear pads, adjustable microphone and inline remote.
	LED illuminated sides
	Complete your gaming set-up with this eye-catcher. With the GXT 313 headset you will not only feel like a real

gaming champion, but you will look the part to. The red LED illumination placed on the sides of the headset ensures an attractive design.

Convenient microphone

The GXT 313 has a foldable microphone, which can be used for chatting. So your fellow gamers will not miss a word you are saying during that crucial battle.

The included 3.5mm jack is ideal to connect the headset to your laptop, but in the box you'll also find an adapter cable to connect the headset to your PC.

Comfortable design

The GXT 313 features soft over-ear pads, which ensure comfort during long gaming sessions. The headband can be adjusted to create the perfect fit. The GXT 313 has a flexible cable of 2m, which allows you to move around freely during a gaming session. The cable includes an inline remote with volume control and microphone mute.
