Many connections possible

Listen to your favorite tracks and create your own party with the Fero Wireless Speaker. The speaker can be easily connected to your smartphone or tablet via Bluetooth. No Bluetooth available? Don't worry, connect the speaker via a 3.5mm cable or use the supplied micro-USB cable. Plug in a micro-SD card or USB stick and your music is easily picked up by the integrated MP3 player.

Easy to reach buttons

With the buttons on the top of the Fero speaker, changing volume and input sources is super easy. The buttons also function as call-pickup buttons to use the speaker for hands free calling.

Play & dance all night

When you connect your phone or tablet via Bluetooth, you will have a wireless range of 10 metres. More than enough to dance around on your favourite songs. The battery of the speaker lasts up to 6 hours, long enough for a picnic at the park or a late night chill session!
