## Marketing

|                        |  |
|------------------------|--|
| Extended retailer text | <p>The Trust GXT 164 Sikanda Gaming Mouse with 8 thumb buttons is specially designed for the best MMO gaming experience. This mouse will increase your reaction speed and save you crucial in-game time. Equip yourself with the master of MMO gaming!</p> <p>Advanced gaming software</p> <p>The advanced gaming software allows you to create your perfect gaming mouse from within. Design macros and assign the 13 programmable buttons to set different actions. You can create your own preferred combinations! All your actions are driven by an optical sensor that can be set up to 5.000 DPI.</p> <p>Power grid</p> <p>This mouse has an 8-button grid so you can perform the required combinations with just one click. Its ergonomic</p> |
|------------------------|--|

design lets you blindly find the right buttons so you can stay fully focused on the quest before you. Trust your gear and let it lead you to victory!

Breathe colour

The Sikanda features adjustable RGB lighting. Let your mouse breathe different colours or choose your personal war colour to complete your gaming set-up.

From memory

All your presets can be stored in 4 different profiles which are saved in the onboard memory of the Sikanda. Without the use of software, you can switch between presets when you start playing another game or move from one computer to another. This makes the Sikanda perfect to take to any battle you’re facing!
