Robust design

The Silva speaker set fits perfectly into every room with its great wooden design. Whether it is in your living room, bedroom, classroom or even in your office. This wooden speaker set is not only perfect for your PC, but can also be connected to your phone, tablet, DVD-player, MP3 player and other audio devices with a 3.5 mm output.

Ease of use

The powerful sound of the Silva speaker is ideal for listening to your music, watching movies or playing video games on your PC. With the convenient volume and bass controls on the front side of the subwoofer it is easy to adjust the bass and the volume. On the back of the subwoofer you'll find a switch to turn the speaker set on, or off.

Smart Power Management

To save energy, the speaker automatically switches to standby mode when not used for 60 minutes. Once you start playing music on your device again, the speaker automatically turns back on.
