Marketing

Extended retailer text	Surround yourself with an exceptional audio experience. The Trust Vigor 5.1 Surround Speaker System for PC combines powerful sound with a stylish wooden design. The sound transmission of the deep bass will take the reality of your favourite games, movies and music to a new level. Booming details
------------------------	---

The 150W peak power (75 Watt RMS) puts you right between blasts of the roaring engines, thunderous storms and the fierce battlegrounds of your favourite games and movies. And what about that enemy stealthily sneaking up from behind? With the crystal-clear home theatre surround sound, you will never miss those essential details anymore.

Perfect control

Settle in and get comfortable! The wireless remote control allows you to turn up, down or mute the sound without getting up from your couch. Control the bass separately on the subwoofer for a perfect sound setting in every situation.

Smart power management

The speakers automatically turn to standby mode after 30 minutes when not in use. As soon as you continue gaming or watching TV, the speakers will turn back on for uninterrupted playtime. If you prefer to keep the speakers on, simply turn off the standby mode.
